CALIFORNIA ENVIRONMENTAL JUSTICE COALITION MISSION STATEMENT:

The California Environmental Justice Coalition takes action to bring about systemic change in industry and government policies and practices to protect health and promote justice and resilient communities by uncompromisingly following the Principles of Environmental Justice; promoting unity and solidarity; using community-based knowledge; and strengthening community leadership.

Led by people of color and low-income communities, CEJC is a broad, inclusive, grassroots statewide coalition of small and large groups uniting urban, rural and indigenous communities in resistance against environmental racism and injustice, and committed to environmental, social, and economic justice.

DECLARACION DE MISION DE LA COALICION SOBRE JUSTICIA AMBIENTAL DE CALIFORNIA:

La Coalicion de Justicia Ambiental de California adopta medidas para lograr un cambio sistematico en las politicas del gobierno y la industria para proteger la salud y promover justicia y comunidades fuertes siguiendo los principios de justicia ambiental, promover la unidad y la solidaridad, usando el conocimiento basado en la comunidad y fortalecer el liderazgo comunitario.

Dirigido por gente de color y comunidades de bajos ingresos CEJC es una coalicion amplia incluyent de grupos pequenos uniendo comunidades urbanas, rurales e indigenas en resistencia en contra el racismo ambiental y la injustica y comprometidos con la justicia ambiental social y economica.
