## **Environmental Justice Walk Against Cancer and Pollution**

**Saturday, April 26, 2014 - 11 am**

**Martin Luther King Jr. Park  
5700 block of 3<sup>rd</sup> Street at Carroll  
Bayview Hunters Point, San Francisco**

Let's march together in memory of our loved ones who have passed or are suffering from cancer, and dedicate ourselves to work for healthy communities and environmental and climate justice.

Stop pollution of our communities! Toxic waste & neighborhoods don't mix! Protect communities from climate change & rising sea levels that threaten to flood toxic sites near our homes!
