

RED ALERT! RED ALERT!

U.S. Interior Department has issued permits for "tests" and drilling that would desecrate Ward Valley. They will attempt to evict our encampment and close off Ward Valley.

Colorado River Native Nations Alliance & Save Ward Valley issue a **CALL TO ACTION!** **DEFEND WARD VALLEY!**

You will be asked to come to Ward Valley in the next few days or week as soon as we know the date the government will attempt to make their move. Call (760) 326-6267 or (415) 566-3475 for update

We're making a stand to stop the nuclear waste dump and protect sacred Indian land, the desert tortoise, and the Colorado River.

The U.S. Interior Department on Friday, January 16 announced the issuance of permits to the State Dept. Of Health Services and federal officials for drilling and tritium tests at Ward Valley. Testing would desecrate at least 1 ½ acres of land which is sacred to the Indian Nations of the Colorado River who have lived in this area since time immemorial. The Tribes are furious that Interior totally ignored tribal and environmental concerns and breached its fiduciary responsibility to protect the environment and trust resources of the Indian Nations. The Tribes have opposed the dump since the beginning, and will tolerate no further damage to Ward Valley.

WHERE TO GO: When arriving in Needles please check-in at the Save Ward Valley office, 107 F Street before going out to Ward Valley. (760) 326-6267.

Take Interstate 40 to Needles, California. Exit at J Street. Right on Broadway, left on F Street.

We are asking people to come to Ward Valley for a mass, nonviolent sustained direct action. We will act with the guidance and direction of the Tribes and Elders to defend the land. We will gather in direct resistance and legal protest. We demand President Clinton intervene now and stop the proposed dump once and for all!

Please bring the following things to Ward Valley:

- * lots of friends, family, co-workers!
- * lots of water (10 gallons if possible), food, toilet paper, garbage bags, flashlight.
- * tent, sleeping bag, hat, warm clothes, rain gear, cooking stove, eating utensils, cup, backpack.
- * absolutely no drugs, alcohol, weapons, dogs. Respect and do not touch the desert tortoise.

Nonviolence training is essential to participate in the action.

Call Save Ward Valley at (760) 326-6267 for information, to volunteer and to donate.
