LENNAR DOWNTOWN SALES OFFICE
645 HOWARD, SF (btwn 2nd and 3rd)

¡BASTA YA! ENOUGH!

From the Bayview to the Mission to Treasure Island, LENNAR is toxic for our communities.

- Building housing on sites with radioactive & toxic contamination from Navy and industry
- Besieging African American community suffering from cancer, asthma, death, & displacement
- Building on land where sea-level rise will mean more toxic contamination of neighborhood
- Dust from demolition & construction sites threatening health of residents
- Driving displacement with luxury condos in neighborhoods that need affordable housing
