

## Earth Week Rally for Justice

Bayview Hunterspoint has the highest cancer and asthma rates in the Bay Area. This is one of many examples of Superfund sites that are home to thousands of Black and Brown families. When your neighborhood is killing you who do you hold accountable? Developers, city officials, regulatory agencies need to STOP CONTAMINATING & DRIVING DISPLACEMENT IN OUR COMMUNITIES! ¡BASTA YA! ENOUGH!

LENNAR DOWNTOWN SALES OFFICE  
645 HOWARD, SF (btwn 2nd and 3rd)

From the Bayview to the Mission to Treasure Island, LENNAR is toxic for our communities!

Lennar has been responsible for:

- Building housing on sites with radioactive & toxic contamination from Navy and industry
- Besieging African American community suffering from cancer, asthma, death, & displacement
- Building on land where sea-level rise will mean more toxic contamination of neighborhood
- Dust from demolition & construction sites threatening health of residents
- Driving displacement with luxury condos in neighborhoods that need affordable housing
