

## Earth Week Rally for Justice

Bayview Hunters Point has some of the highest cancer and asthma rates in the Bay Area, likely due to the many pollution sources including the toxic and radioactive contaminated Superfund site at the Hunters Point Naval Shipyard near the homes of thousands of Black and Brown families. When your neighborhood is killing you who do you hold accountable? Developers, city officials, regulatory agencies need to STOP CONTAMINATING & DRIVING DISPLACEMENT IN OUR COMMUNITIES! ¡BASTA YA! ENOUGH!
