San Francisco Bay Conservation and Development Commission
455 Golden Gate Avenue, Suite 10600
San Francisco, CA 94102-7019

To the BCDC Commission Members,

We, the undersigned community and environmental justice organizations, call on you to adopt the staff recommendation for social equity and environmental justice in the proposed amendments.

We support Bay Conservation and Development Commission's efforts to protect the San Francisco Bay. Climate change, impacts of flooding, and sea level rise will affect communities differently; especially disadvantaged communities.

We urge you to consider these communities when developing the San Francisco Bay Plan.
