

**IF YOU ARE EXPOSED
OR SEE *PESTICIDE
DRIFT*, PROTECT
YOURSELF AND *FILE
A COMPLAINT!***

REPORTING PESTICIDE DRIFT INCIDENTS:

1. Contact the County Agricultural Commissioner: (831) 759-7340
2. File a complaint with the State's CASPIR APP. (See other side for details)
3. If you are not feeling well, **CALL YOUR DOCTOR**
4. In case of an emergency, Contact the County Sheriff: (831) 675-5010 or 911

WHERE MIGHT I BE AT RISK?

ANYWHERE IN OR NEAR AGRICULTURAL SITES

WHAT ARE MY RIGHTS?

- Pesticide exposure is illegal! If others expose you to pesticides, they are breaking the law. You have the right to report all pesticide drift immediately!
- California law gives Farmworkers and other workers the right to; be transported to the doctor or hospital if exposed. Employer must cover medical costs of pesticide illness if exposure happened at work.

Disclaimer: The rights listed above are only some of the rights that farmworker's are entitled to. To learn more rights, please visit: https://www.cdpr.ca.gov/docs/enforce/cmpliaast/pesticide_drift.pdf

CALIFORNIA'S SYSTEM FOR PESTICIDE INCIDENT REPORTING (CASPIR):

- The California Department of Pesticide Regulation (DPR) provides a way to report pesticide incidents in California from mobile phones and tablets.

HOW TO USE CASPIR:

- To download the app, visit <https://www.cdpr.ca.gov/caspir> or download it from Google Play or the App Store for FREE.
- You can upload photos and videos!
- Automatically adds your location!
- Reports only go to DPR's enforcement staff and the county agricultural commissioner.
