

POLLUTION & HEALTH WARNING FOR INDIA BASIN SHORELINE PARK

WHY IS CITY HALL SUPPORTING BUILD LLC'S UPSCALE INDIA BASIN MIXED USE DEVELOPMENT WHICH THE CITY'S OWN ENVIRONMENTAL IMPACT REPORT SAYS WILL ADD SIGNIFICANT, HARMFUL, ONGOING AND POSSIBLY ILLEGAL AIR POLLUTION?

The City's own Environmental Impact Report for the India Basin Mixed Use Development found that the BUILD LLC project will cause ongoing (forever) significant, harmful, unavoidable air pollution that "could violate an air quality standard, contribute substantially to an existing or proposed air quality violation..."

PARKS SHOULD BE HEALTHY PLACES, NOT A PLACE WHERE KIDS AND FAMILIES WILL BE HARMED!

Join us in opposing the BUILD LLC upscale development project that will pollute and gentrify the neighborhood.

Let's work together to make sure kids and families and the India Basin Shoreline Park are protected from harmful air pollution!
