

# **GREENACTION**

*For Health & Environmental Justice*

466 Geary Street, Suite 300 San Francisco, CA 94102

November 30, 2023

Dear friend of Greenaction,

As Greenaction wraps up our 26th year on the frontlines working with urban, rural, and Indigenous communities, ***we ask for your support to enable us to expand our environmental and climate justice campaigns to challenge polluters and the government agencies that protect them.***

***Your support will ensure that we can continue winning victories and bringing about positive change for healthy communities, a healthy planet, and justice.***

Check out our Winter 2023 Frontlines of Environmental Justice newsletter for important updates about our recent work across the west!

Your donation will help our community organizers from Bayview Hunters Point and Kettleman City continue their tireless and effective work.

Your donation will help fund our many campaigns with Native Nations, grassroots Indigenous groups, and other frontline communities continue across the west and beyond.

Your donation will support our successful Youth and Adult Environmental and Climate Justice Leadership Academies that empower residents with the knowledge and skills to be effective activists, organizers, advocates, and community leaders.

***Greenaction is fearless. We are effective. We are experienced. We know how to win.***

***We will never sell out or compromise on issues of health and justice.***

As a grassroots organization fighting and winning battles for environmental health and justice, we rely on your support to enable us to carry on this urgent and successful work.

***Please donate whatever you can, and please consider becoming a monthly or quarterly donor.***

For environmental justice,

Bradley Angel, Executive Director
