HEALTH AND ENVIRONMENTAL INJUSTICE – HIDING IN PLAIN SIGHT

**Toxic and Radioactive Waste at the Hunters Point Shipyard Superfund Site:
The threat to Our Health and Environment**

Join us for a FREE informative seminar and hear from Greenaction, champions of advocacy and organization for Black, Brown, and Indigenous communities across the state which suffer unjustly from unhealthy conditions and polluted environments. Come ask questions and find out what you can do to advance health and environmental justice!

This program is hosted by the San Francisco Swedenborgian Church.

Guest Speakers:
