

10TH

Annual White Mesa Ute Community Spiritual Walk & Protest

SAVE THE DATE

Saturday October 17, 2026 • 11am MDT

At the White Mesa Community Center

Rally starts at 11AM MDT, followed by the spiritual and protest walk to the Energy Fuels uranium mill.

Directions

- The White Mesa Community Center is between Bluff and Blanding, Utah.
- The community center is located slightly off Highway 191, on the west side of the road, behind the gas station.
- Look for a large building with "White Mesa Community Center" written on the side.

We live down the road from this mill. When it's running, we smell it from our houses. They're bringing radioactive wastes from all over the world to this mill. We want this to stop. We want the mill to close and clean up its mess.

– Yolanda Badback,
